STONE CHARACTERISTICS OUTSIDE PHOTO RANGE MAY VARY

There are likely to be variations in consistency of colours and textures, appearance and quality in the finished product of the hardened concrete, as the raw ingredients are natural and subject to variations beyond our control. Whilst every effort has been made to match the colours in the preparation of this document, reproductive processes will alter the actual appearance in the concrete products to varying degrees.

The concrete samples shown are indicative only of the finished concrete product, and no guarantee of the colours or textures of the product is given or implied by this document.

PRODUCT NAME:

MONASH 19 IVORY

White, grey and beige offset with a subtle dose of classic grey granite in an ivory base.

Things you should know

Neutral grey beige tones will fit in just about anywhere to create a light and welcoming area.

The grey granite is a subtle addition that helps to distinguish and characterise the look of this product.

The availability of this product is seasonal so please check with us before commencing your next project.

Other similar products to look at are Bahrain Ivory and Panuba 55 Ivory
