STONE CHARACTERISTICS OUTSIDE PHOTO RANGE MAY VARY

There are likely to be variations in consistency of colours and textures, appearance and quality in the finished product of the hardened concrete, as the raw ingredients are natural and subject to variations beyond our control. Whilst every effort has been made to match the colours in the preparation of this document, reproductive processes will alter the actual appearance in the concrete products to varying degrees.

The concrete samples shown are indicative only of the finished concrete product, and no guarantee of the colours or textures of the product is given or implied by this document.

PRODUCT NAME:

## SIERRA IVORY

Easy to live with and complementary of timber structures and decks. Earthy brown and grey granite set in an Ivory base.

### Things you should know

One of the key stones used in this product can at times be difficult to source. Availability is often restricted when demand exceeds the quarry's ability to supply. Please check with us before commencing your next project.

Other related products to look at are: Colorado 2 Ivory, Bronzed Stone Ivory and Karkalla Delta 05 Ivory.
