STONE CHARACTERISTICS OUTSIDE PHOTO RANGE MAY VARY

There are likely to be variations in consistency of colours and textures, appearance and quality in the finished product of the hardened concrete, as the raw ingredients are natural and subject to variations beyond our control. Whilst every effort has been made to match the colours in the preparation of this document, reproductive processes will alter the actual appearance in the concrete products to varying degrees.

The concrete samples shown are indicative only of the finished concrete product, and no guarantee of the colours or textures of the product is given or implied by this document.
